

Hope for Kajiado

2021 Annual Report

Creating a better tomorrow for vulnerable children today thus for future generations

Alleviate poverty and disease for children in East Africa by providing for their physical, educational and spiritual needs.

We believe every child deserves hope. By supporting Hope For Kajiado during 2021, you made a difference on the global stage. You helped accomplish something bigger than us. You not only made a direct impact on a child by providing them hope, you also reached the greater community of Kajiado still experiencing challenges from the pandemic through a Community Outreach Program. To be able to support these children, we thank God for the blessing of compassion from our donors.

Since Hope For Kajiado has no paid staff and a small budget to cover website and communication costs, we were able to send most of the funds raised to support the kids at KCH. However, we were also unable to hold most of our public fundraisers through community, school, and church partners which help us meet the needs of Kajiado Children's Home. Our focus continues to be communicating using our newsletters and social media, and holding virtual on-line fundraising efforts. Without the support of our donors, we could not have achieved great things in Kenya. God is Good!

At KCH, in 2021, several children were rescued from dangerous situations and placed here temporarily to ensure their safety. Schools in Kenya reopened and our outreach program there continues to help local families in need. Our support was most appreciated by KCH staff who worked so hard to provide a safe place for these children to grow and learn. They wish to express their thanks for your love and kindness.

We cannot do this without you. It is your compassion that provides these children hope... hope for food, shelter, loving care... hope for an education, medical care and spiritual nourishment. Thank you.

Thank you for making a difference

Communicating with kids

Exchanging letters is a fun and easy way to connect for child sponsors! Letters are shared electronically throughout the year. We encourage participation in the annual mission trips to spend time with the children to share faith and encouragement.

Sponsors can mail letters for their child as often as you like to

Hope For Kajiado

4009 Corning Place, Ste E2-234
Charlotte, NC 28216

- or send by email to
info@hope4kajiado.org

If mailed, the letters are scanned and emailed to KCH. They print and give it to the child. All original sponsor letters are carried to KCH by the mission trip team.

Children's letters are written 3-4 times per year, scanned and emailed to HFK, which then sends the child letter to sponsors.

Sending packages by mail is unreliable due to their location (and postal system!). Annually, mission teams take duffel bags packed with clothing, toys, letters, etc.

The children have few personal possessions (which fit into a foot locker kept in their dorm), so personalized letters are very special for them.

We visit Kajiado Children's Home and Light Foundation each year.

Donations are appreciated through
www.hope4kajiado.org

Thank you for your kindness.

Our mission team took much needed PPE supplies to area hospitals. Please enjoy these photos from Kajiado & the PPE Distribution:

Kajiado County Referral Hospital

Kajiado Kitengela Medical Services

Kajiado Children's Home - Nursing Services

Since opening in 1997, hundreds of children suffering from the effects of poverty and disease have received loving care, medical and educational needs, and spiritual guidance. The home supports over 80 children living at the home, boarding in high schools or in the alternative care outreach program.

Due to COVID, two local hospitals were severely low on PPE supplies. Our team took masks, gowns, gloves and many other needed supplies so the hospital could provide care to their patients.

We also provided much needed supplies for use at KCH by the nurse, Consolata, who joined the staff at KCH during COVID. This extra level of care for the children helps to address any minor issues before they require a visit to the doctor or local hospital.

Light Foundation Nairobi, Kenya

The foundation empowers children in rural areas who are not in school. In January 2018, Laura founded a school in Nairobi to help young children, including refugees from the Congo, to learn in a Christian-based environment.

Havillah School provides education for children in a safe environment. Hope For Kajiado sponsors four children who are refugees from the Congo.

Hope For Kajiado 2021 Financial Review

General Income :

Cash income:	2020 Balance	2021 Income	2021 Balance
- Unrestricted Funds	\$ 55,866.61	\$ 111,113.13	= \$ 166,979.74
- General Fundraising	\$	\$ 12,463.11	= \$ 12,463.11
- Capital Projects/Repairs	\$ 18,315.06	\$ 44,972.79	= \$ 63,287.85
- Mission Trip Fundraising	\$ 25,513.66	\$ 2,420.29	= \$ 27,933.95
TOTAL INCOME	\$ 99,695.33	\$ 170,969.32	= \$ 270,664.65

Expenses - 2021:

- Grants/Support children/capital projects	\$ 131,003.82	92.5%
- Mission Trip Expenses (including wires to Kenya).....	\$ 4,861.66	3.4%
- Operating Costs (breakdown below)	\$ 5,814.30	4.1%
- Information Technology	\$ 3,340.58	
- Postage/ Printing	\$ 891.83	
- Supplies	\$ 166.08	
- Professional Fees/License	\$ 1,032.33	
- Fundraising Costs	\$ 383.48	
TOTAL EXPENSES	\$ 141,540.70	

2021 Capital project plans included:

- 1) We ask for your support of fundraising for a primary school so our children will be better prepared for national exams and more successful in secondary school. This school will eventually create an income stream from paying students seeking a higher quality of education, and help supplement the operating costs of the school, but we know it will take at least two years to build that reputation. Therefore, we are planning to include a 3-year operation budget in the fundraising plans.
- 2) The water well, completed in 2015, in addition to water captured from rain is used for consumption and irrigates the garden and greenhouse. The well has experienced some maintenance issues in the past year as water levels continue to drop. Eventually, we will need to build an additional deep water well, and this is projected for 2026.
- 3) Future projects planned include solar panels for the dorms in 2025, and a secondary school targeted for 2030 to be built off campus.

We appreciate the continued support of our sponsors and volunteers to make a difference in the lives of these children. Without your prayers and financial contributions, these children could face poverty and disease.

Hope For Kajiado Board of Directors

- **Officers (Charlotte, NC)**
 - Gaye List, Chairman
 - Donna Walter, Secretary
 - Todd Hodgins, Treasurer
 - Jennifer Naddell, Communications
- **At Large Directors**
 - John Chao, Charlotte, NC
 - Bethanne Kopplin, Leesburg, FL
 - David Lysterly, Charlotte, NC
 - Jason Naddell, Charlotte, NC
 - Doug Rupp, Archbold, OH
 - Pede Self, Charlotte, NC
 - Crissi Stuckey, Archbold, OH
 - David Stuckey, Archbold, OH
- The board of directors are a group of volunteer professionals dedicated to transparency and integrity in business practices.

Who are our donors?

- **Individuals**
 - Including 83 sponsors in 8 states (17 sponsors support more than 1 child)
- **Fundraisers**
- **Granting organizations**
- **Churches:**
 - Cooks Memorial, Charlotte, NC
 - Covenant Life, Sarasota, FL
 - Crosspoint Church, Boone, NC
 - Graceway Church, Leesburg, FL
 - Hamilton Church, Pittsburgh, PA
 - St Johns Church, Archbold, OH
 - Siler Church, Waxhaw, NC
- **Schools**
 - School fundraisers were cancelled in 2021 due to the COVID-19 pandemic.

Currently supporting over 80
children from the Rift Valley

Hope For Kajiado

Mission Statement

Alleviate poverty and disease
for children in East Africa
by providing for their physical,
educational and spiritual needs.

Guidestar

2021 Platinum Seal of Transparency

We are listed on Charity Navigator,
but cannot receive a rating until
we have \$1,000,000 in revenues.

Great NonProfits

2021 Top-Rated NonProfit Award

"Hope for Kajiado is a great
example of a nonprofit making a real difference in the
world", said Peria Ni, CEO of Great Nonprofits. "Their
award is well deserved recognition not only of their
work, but the tremendous support they receive as
shown by the many outstanding reviews they received
from people who have direct experience working with
Hope for Kajiado."

Hope For Kajiado

4009 Corning Place - Ste E2-234
Charlotte, NC 28216

email: info@hope4kajiado.org

web: www.hope4kajiado.org

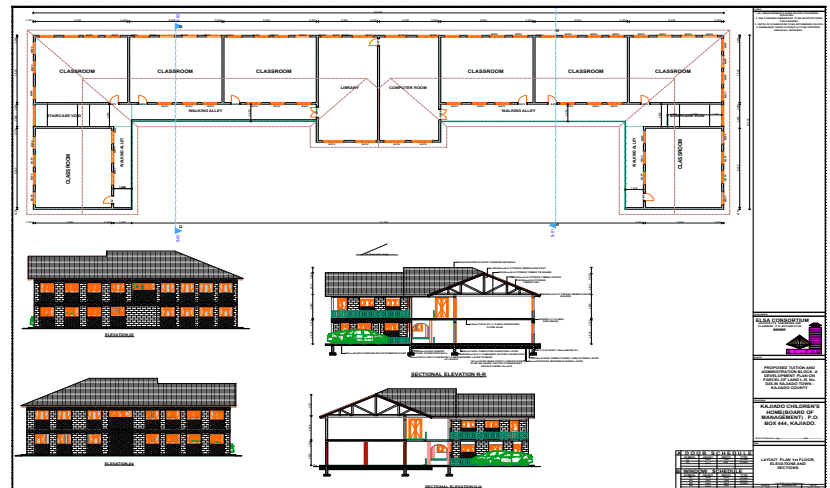

To give: <https://hope4kajiado.networkforgood.com>

The campus of Kajiado Children's Home includes:

- (1) a two-story dormitory for the children
(boy and girl sides of the dorm have separate entrances and their
sleep areas are cleaned by the children each Saturday morning)
- (2) a dining hall (where they eat and study)
- (3) a multipurpose hall (where they hold tutoring classes during
the week and worship on Sundays)
- (4) a nursery & kindergarten (2-room building) next to play ground
(where 40-50 children, too young for primary school, learn their abc's,
colors, numbers and how to write. This is open to the community.)
- (5) additional buildings include nursing station, staff housing, and
two guest houses for mission team and/or visitors.
- (6) large garden area includes two greenhouses. The growing season is short
due to drought conditions, so the greenhouses allow for more crops!
- (7) livestock area includes two areas for cows and rabbits. Milk from the
cows provide a daily source of calcium for the children, and the rabbits
are cooked monthly for a good source of protein.

Capital Project Initiative for 2021-2022

We wish to build a primary boarding school on the KCH campus.

Existing classrooms are overcrowded at the local school and
have inadequate resources to build core skills to be successful.

Children must
walk 25 minutes
and cross a busy
highway to get to
the local primary
school.

We have raised nearly 30% of
our \$250,000 goal as of the end
of 2021 and seek your
support and prayers to raise
the needed balance to build in
2023. Thank you.
